OUTDOOR ATTRACTIONS & ACTIVITIES

Few destinations in the world can match Nepal in the variety of world-class experience - be it mountaineering, trekking, mountain biking, nature tours, culture tours, pilgrim tours, white-water-rafting, canyoning (cascading), kayaking, canoeing, mountain flights, pony trekking, jungle safaris, bird watching, fishing/ angling, paragliding, ultra-light aircraft ride, bungee jumping; we have it all. Special interest tours like orchid tours, culture trek, honey hunting, village tours, fossil hunting, meditation courses, Shamanism-Panimism tour, cave tours, snow leopard and blue sheep trek and other kinds of tours are carried out for select groups throughout the year. For organizing your tours, please contact: Nepal Association of Travel and Tour Agents (Tel: 4418661, 4419409, Web site: www.natta.org.np) or Nepal Association of Tour Operators (Tel: 4418999, Web site: www.nepaltouroperators.org).

TREKKING

Nepal is the ultimate destination for the trekking enthusiast – offering a myriad of possibilities from the short and easy to the demanding challenges of the snowy peaks. Easy, moderate or rigorous – there is something for every one. Nepal has aptly been called “A Trekkers’ Paradise” as her terrain – mountains, hills and the Terai – offer some of the most spectacular trekking routes in the world. The immense contrasts in altitudes and climates found here support an equally spectacular mix of lifestyles, vegetation and wildlife. Trekking in Nepal is as much a cultural experience as a Himalayan adventure. In the shadows and foothills of the icy pinnacles of the Himalayas, one passes picturesque charming villages inhabited by diverse ethnic groups. Treks vary from expeditions, high altitude treks to simple easy paced walks. For more information about trekking; please contact Trekking Agencies' Association of Nepal (Tel: 4427473, 4440920, Web site: www.taan.org.np).

MOUNTAINEERING

With eight of the highest peaks in the world, including Mt. Everest, it is hardly surprising that Nepal has been the stage for some of the most outstanding achievements in the world of mountaineering. The dauntless icy peaks have since decades challenged the bodies and spirits of the daring ones. All inquiries and arrangements for expeditions have to be made well in advance at the Ministry of Tourism & Civil Aviation, Mountaineering Section, Bhrikutimandap (Tel: 4256231/2, Fax: 4227281, Web site: www.tourism.gov.np) where the guidelines have been laid down.

RAFTING/KAYAKING/CANYONING

Few rafting rivers in the world can match the thundering course of the rivers of Nepal originating from the snow meltdown of the Himalayan terrain. The rivers gush through the twisted canyons, winding through calm valleys where small settlements are perched on the banks, taming out only as they spill out into the Indian plains to merge with the Ganges. A river-trip is one of the best ways to explore the typical cross-section of the country's natural as well as the ethno-cultural heritage with massive doses of adrenaline buzz on our world-class white-water thrills. An extreme sport popular in Europe, canyoning is now available in Nepal. It involves abseiling, jumping, sliding, climbing along waterfalls and steep cliffs to deep pools, giving the canyoneer the freedom to explore beautiful under-water landscape.

Village Tours

Village tours allow visitors to experience a stay in a typical Nepali village. This gives visitors an opportunity to observe the rich Nepali cultural tradition from the closest quarter and intermingle with the locals. Besides, any expenses made at that level directly contribute to the welfare of the local community, hence giving the visitor a sense of satisfaction. Village tours are conducted in Sirubari, Briddim, Ghalegaun, Ilam and other places.

Other Activities

For those who cannot withstand the rigorousness of mountain climbing there are mountain flights which fly around Mt. Everest and other summits providing a close-up view of the top of the world. For others, Pokhara, the lake city of Nepal provides endless opportunities for fishing, swimming, canoeing and boating along Phewa Lake. Air sport options like paragliding and flying in ultralight airplanes to see the spectacular views are also available in Pokhara.

Jungle Safari

Chitwan National Park, Bardiya National Park, Shuklaphanta Wildlife Reserve and Koshi Tappu Wildlife Reserve offer exciting safari holidays. Jungle activities here include venturing into deep jungle on elephant back or four-wheel drive to view wild animals in their natural habitat, canoe rides along the jungle rivers, nature walks, bird watching and village tour excursions.

A Rich Natural Heritage

Thanks to Nepal's extensive and effective parks and reserves system, the country has managed to preserve more endangered species of flora and fauna than any other area in Asia. Nepal has a network of nine national parks including 11 buffer zone areas, three wildlife reserves, three conservation areas and a hunting reserve. Nepal's protected land cover 28,998.67 sq. km., or 19.70 percent of the country's total land.
